

INTERNATIONAL **ESPERANZA** PROJECT

2025

A year of **lasting**
impact in Guatemala.

Strengthening communities in Latin America from the inside, out — partnering to create lasting improvements to homes, healthcare, and education.

Esperanza is not just a feeling. It is a tool.

A letter from our founder.

This year, the communities we partner with in Guatemala made something clear: when families have the tools to act, they change their own lives. Our role is not to rescue — it is to walk alongside, supply what works, and stay long enough for the change to last.

In 2025 that partnership reached further than ever. Across 31 communities, teams installed 935 smoke-free stoves and 935 water filters — a 53% increase in installations over 2024. Our medical teams cared for 2,984 clinic patients across twelve specialties and performed 227 surgeries. And 308 students learned in our Early Childhood–12 programs while 1,380 enrolled in trade training.

None of these are just numbers. Each one is a household breathing cleaner air, a patient who received care close to home, a young person with a marketable skill. Practical support. Lasting impact.

Thank you for believing, as we do, in a world where every person can take action to change their life.

Michelle Hollaender

FOUNDER & CHIEF EXECUTIVE OFFICER

2025 at a glance.

Every figure on this page traces to our master impact record. These are completed full-year 2025 totals across all three program pillars.

935 Smoke-free stoves installed HOMES • 2025	935 Clean-water filters installed HOMES • 2025	2,984 Clinic patients cared for HEALTH • 2025	227 Surgeries performed HEALTH • 2025
308 EC-12 students supported EDUCATION • 2025	1,380 Trade-training enrollments EDUCATION • 2025	31 Communities served (Homes) GUATEMALA • 2025	9 Years of partnership since 2017 LIFETIME

In 2025 the medical program ran six clinic trips — a 200% increase over 2024 — plus two surgical missions. Homes installations rose 53% over the prior year. Full nine-year data appears on page 14.

A foundation built year by year.

Since 2017, IEP has grown alongside the communities it serves — from the first cookstoves to a multi-program partnership reaching thousands of families each year.

MILESTONES

2017

IEP founded. First cookstoves & water filters installed; medical clinics begin.

2019

Education program reaches 236 EC-12 students; clinics serve nearly 3,000 patients.

2021

Trade-training diplomas launch; resilience through the pandemic pause in medical missions.

2024

610 homes reached; trade diplomas surge to 594 as programs scale.

2025

935 stoves & 935 filters installed, 2,984 clinic patients cared for, 1,380 trade enrollments.

Across nine years, IEP has cared for 15,692 clinic patients, performed 1,060 surgeries, installed 3,176 clean cookstoves and 3,176 water filters, supported 2,429 EC-12 students, and helped earn 2,275 trade-school diplomas — lifetime totals (2017–2025) that anchor every page that follows.

A woman with long dark hair, wearing a vibrant, multi-colored patterned dress, is standing in a kitchen. She is leaning over a modern, grey, box-like stove, which has a small flame visible. She appears to be cooking or preparing food. The background shows a wall made of vertical wooden slats and a yellow plastic bag hanging on the left.

Impacting Homes

HEALTHIER LIVING ENVIRONMENTS

Healthier living environments as the foundation for a **better quality of life** — through practical, home-based improvements.

A smoke-free stove cuts the indoor air pollution that harms a family's lungs and the firewood they must gather each day. A paired water filter means clean water at home, every day. Together, they change the daily rhythm of a household.

In 2025, teams installed 935 stoves and 935 filters across 31 communities — a 53% increase in installations over 2024. Built to last, each stove and filter is installed to keep working for years — clean air and clean water that hold up to daily use.

HELP CREATE HEALTHIER HOMES

A 53% increase, one household at a time.

935 Smoke-free stoves 2025	935 Water filters 2025	31 Communities reached 2025
---	---	--

Growth in homes reached

YEAR	STOVES & FILTERS
2022	272
2023	320
2024	610
2025	935

Each installation pairs a smoke-free stove with a water filter, chosen for durability so the benefit holds long after the visit.

Stoves and filters are tracked as distinct deliverables in IEP's impact record (935 each). The organization's 2025 Form 990 reports these as a single combined figure of 935 installations.

Program economics

MEASURE	2025
Homes reached	935
Program expense	\$951,595
Cost / home	\$1,018

Source: filed 2025 Form 990, Part III — Impacting Homes program service expense \$951,595. Cost / home = \$951,595 ÷ 935 homes reached.

31 communities, 935 healthier homes.

Smoke-free stoves and water filters installed by community in 2025, across the highlands of Guatemala. Each figure is a household with cleaner air and clean water.

Impacting Health

VITAL HEALTHCARE, CLOSE TO HOME

Vital healthcare services and support for healthy living, so families can move forward with **stability, dignity, and hope.**

Across six clinic trips and two surgical missions, IEP medical teams brought specialized care within reach of communities that rarely have it — meeting people where they are rather than asking them to travel for care they cannot access.

In 2025, teams cared for 2,984 clinic patients across twelve specialties and performed 227 surgeries across five procedure types. The six clinic trips marked a 200% increase over 2024.

SUPPORT LIFE-CHANGING CARE

200% more clinic trips, care brought closer.

Clinic patients by specialty

SPECIALTY	PATIENTS
General Medicine	982
Pediatrics	523

Impacting Education

PATHWAYS TO OPPORTUNITY

Quality learning environments and expanded access to knowledge and skills — building [pathways to opportunity](#).

From early childhood through 12th grade, and into trade training that leads directly to work, IEP strengthens educational opportunity by improving learning environments, supporting educators, and expanding access to skill development.

In 2025, IEP supported 308 EC–12 students and reached 1,380 trade-training enrollments across six course categories — from culinary and sewing to beauty training and programming.

INVEST IN EDUCATION

The teams who **showed up**.

Across 2025, nine volunteer teams traveled to Guatemala to work alongside families and local partners. Each gave a week to the same mission — cleaner air, clean water, healthcare close to home, and a path to opportunity. Their journey across the year:

JANUARY 18–25, 2025

Team Mindful

Opened the year bringing cleaner air and safe water into homes.

FEBRUARY 10–14, 2025

Team Synergy

Paired clinic care with home visits, meeting families where they live.

MARCH 22–29, 2025

Team Legacy

Carried clinic care and home installations to more households.

APRIL 26 – MAY 4, 2025

Team Thankful

Brought surgery, consultations, and home upgrades to Retalhuleu.

MAY 31 – JUNE 8, 2025

Team Excellence

Focused on homes, installing stoves and filters family by family.

JUNE 22–29, 2025

Team Joy

Joined clinic care with home installations in a single week.

JULY 19–27, 2025

Team Heart

Met patients at the clinic and families at their doorsteps.

AUGUST 30 – SEPTEMBER 7, 2025

Team Hope

Brought surgery, clinic care, and home installations together at summer's end.

NOVEMBER 19–23, 2025

Team Gratitude

Closed the year with home installations and a high school graduation.

A commitment to transparency.

In 2025 IEP deliberately invested ahead of its revenue — drawing on reserves to complete prior-year program commitments and build the financial, HR, and payroll systems needed to scale. The result was a planned operating deficit. We report it plainly, because trust is the foundation of impact.

NET ASSETS • FY 2025

TOTAL REVENUE	TOTAL EXPENSES	OPERATING RESULT	NET ASSETS, YEAR-END
\$1,935,618	\$2,497,705	-\$562,087	\$1,713,059

Net assets moved from \$2,225,275 to \$1,713,059 (a 23.0% draw-down). Per the organization's Form 990, this reflects the intentional use of accumulated reserves to fund expanded program delivery and one-time investments in operational infrastructure — costs management expects to normalize in future periods. IEP closed 2025 with \$1.7M in net assets, of which \$1.65M is unrestricted.

HOW EVERY DOLLAR WAS SPENT • FY 2025

Program services \$2,024,901 Management & general \$215,312 Fundraising \$257,492

Program spending by pillar

PILLAR	PROGRAM EXPENSE	SHARE
Impacting Homes	\$951,595	47%
Impacting Education	\$620,218	31%
Impacting Health	\$453,088	22%
Total programs	\$2,024,901	100%

Public support

IEP qualifies as a publicly supported charity under section 170(b)(1)(A)(vi), with a **86.0% public-support ratio** over 2021–2025. Of \$1.94M raised in 2025, 97.9% came from contributions and grants — including a \$1.05M gala and luncheon that together netted \$715,279 in contributions.

Financial figures: IEP Form 990 (2025 public-disclosure copy), Parts I, III, VIII, IX, X & Schedule A. EIN 81-5106545. Program impact units: IEP_Impact_Master.xlsx. Tax return prepared by Forvis Mazars, LLP.

The complete record, 2017–2025.

Year-by-year totals for every headline metric, with lifetime totals through 2025 (the most recent filed year). This is the full master matrix that governs every figure IEP publishes.

PROGRAM	2017	2018	2019	2020	2021	2022	2023	2024	2025	LIFETIME
Impacting Homes										
Smoke-Free Stoves	85	555	247	49	103	272	320	610	935	3,176

Stewardship begins with **structure.**

IEP is governed by an independent volunteer Board of Directors that sets strategy, approves the budget, and holds management accountable. None of our directors are compensated for board service.

11 Voting board members	10 Independent directors	100% Board review of Form 990	\$0 Paid to directors for board service
-----------------------------------	------------------------------------	---	---

BOARD OF DIRECTORS

Steve Wehn — Chairman

Nancy Ellefson — Treasurer

Pamela Larrave — Secretary

Sylvia Clark — Director

Paul Dickel — Director

Luis Garcia — Director

Melanie Heartfield — Director

Whitney Laughlin — Director

Ricardo Sieveking — Director

Laura Wheat — Director

Allen Roeseler — COO (Director)

Ten of eleven voting directors are independent. Executive compensation is set by the Board using independent comparability data; CEO and COO each received under \$105,000 in reportable compensation.

POLICIES & SAFEGUARDS

- ✓ Written conflict-of-interest policy, with annual disclosure and enforcement
 - ✓ Document retention & destruction policy
 - ✓ Board review of Form 990 before filing
- ✓ Whistleblower protection policy
 - ✓ Independent review of executive compensation
 - ✓ Governing documents & financials available on request

Be part of practical change that **lasts**.

Your partnership funds the stoves, the clinics, the classrooms, and the trade training in these pages. Every gift is stewarded with the transparency you've just seen.

Give online

Make a one-time or recurring gift securely at i-ep.org. Credit card, debit card, and bank transfer accepted — the fastest way to fund programs directly.

Donor-advised fund

Recommend a grant through your DAF at Fidelity Charitable, Schwab Charitable, Vanguard Charitable, or any community foundation.

Check by mail

Make checks payable to International Esperanza Project and mail to our Dallas office. Include your name and address for a tax acknowledgment letter.

Gifts of stock

Donating appreciated securities is tax-efficient — you avoid capital gains tax and deduct the full fair market value. Contact donor@i-ep.org.

Family foundation grants

We provide program budgets, outcome data, and audited financials to support your due diligence. Request a Letter of Inquiry at donor@i-ep.org.

Tribute & memorial gifts

Honor someone with a gift in their name; we send a personalized acknowledgment to the family or honoree.

Employer matching gifts

Many companies match employee contributions dollar for dollar or more. Check with your HR department to multiply your impact.

Wire transfer

Welcome for larger and institutional gifts. Contact donor@i-ep.org or +1 (972) 348-0172 for banking details.

JOIN THE WORK

Help build lasting impact.

- Invest in healthier, more hopeful futures
- Partner with IEP to expand opportunity
- Join the work of strengthening communities

Bringing people **together.**

Three gatherings in 2025 brought our community together to celebrate the year's impact and fuel the work ahead — an evening of celebration in Dallas and two luncheons devoted to hope and connection.

Esperanza
Gala Inspiring
Hope

Esperanza Gala 2025

NOVEMBER 8, 2025 • THE RITZ-CARLTON, DALLAS

A celebration of hope in action, honoring lives transformed across Guatemala. Wings of Hope Award recipients Dodee and Billy Crockett were recognized for their compassion and belief in the mission, alongside a silent auction and an evening of gratitude with sponsors and supporters.

Dallas
Impact Luncheon

Impact Luncheon 2025

MARCH 28, 2025 • DALLAS • 6TH ANNUAL

Centered on the resilience and strength of the women IEP serves, with presenting sponsor White Rhino Foundation and a panel of women leaders spotlighting education and empowerment, from El Molino School onward.

Aspen
Inspire Luncheon

Aspen Inspire Luncheon 2025

JUNE 25, 2025 • ASPEN • INAUGURAL

An afternoon devoted to hope and connection, with a panel moderated by Dodee Crockett and keynote speaker Cindy Engles, who shared stories from her trip to Guatemala with Team Gratitude.

The sponsors who made it possible.

Our 2025 events were powered by the generosity of these partners. Thank you for standing beside the communities we serve.

ESPERANZA GALA • DALLAS

IMPACT LUNCHEON • DALLAS

ASPEN INSPIRE LUNCHEON • ASPEN

WITH GRATITUDE

Thank you to our **partners.**

None of this year's impact would be possible without the donors, foundations, corporate sponsors, and volunteers who walk alongside the communities we serve. Thank you.

A CLOSING WORD

Our work is practical, relational, and designed for long-term impact. We help build the foundation people need so they can take ownership of their future — and we are grateful you are part of it. Here's to an even stronger 2026.

Esperanza is not just a feeling.
It is a tool.
